**Patient Protection & Advocacy Policy**

**Affordable Care Act (ACA) Discount Disclosure**  
**You Are Protected From Any Unexpected Costs And Bills**

Dear Patient:

1. As your Patient Advocate (PA), we offer the highest care quality and safety possible at the **most affordable cost to you**, no matter if you are covered by an in-network or out-of-network health plan.
2. We offer an **Affordable Care Act Discount (ACA Discount)** under our Corporate Compliance Policy to anyone who qualifies, on a case by case basis. **You only pay what you can afford or are willing to pay** for your deductible and co-insurance, as outlined in your plan cost-sharing obligations, based on your medical need. Most people may qualify and **your satisfaction is guaranteed**.
3. Our Affordable Care Act (ACA) Discount is **similar to or even much better than all PPO discounts**, as our **ACA Discount is available from both in-network and out-of-network providers and facilities**.
4. Once you qualify, **you will NOT receive ANY unexpected invoices, bills or collection letters FROM US**, even if your insurance denies your claims.
5. As your Patient Advocate and Authorized Representative, and under the new federal health reform law PPACA (Patient Protection and Affordable Care Act, or ACA), we may appeal all of the claim denials or delays on your behalf, which is strictly in compliance with the new federal health reform law, PPACA.
6. As your Patient Advocate, **your best interest is our best interest**. To ensure that you also get this kind of ACA Discount from other providers known to us or affiliated with us, we will inform you of these facilities and/or providers, **so you may also receive the best care possible along with the ACA Discounts and Savings**.
7. With your informed choice, we will refer you to a provider who may also offer a compliant ACA Discount and ensure that **you are always protected from any unexpected costs and bills** under the new federal health reform law (PPACA).
8. As your Patient Advocate, we want **you to be fully protected from any unexpected costs and bills from any providers, unless otherwise authorized by you**.
9. You always have freedom of choice to receive healthcare from any provider you choose. However, we can not speak for or guarantee anything on behalf of other providers we don't know or are not affiliated with regarding their discount or collection policies. You are advised to contact them directly before scheduling your next appointment(s) or medical procedure(s).
10. **If you are willing to be protected from any unexpected costs and bills**, feel free to apply for our Affordable Care Act Discount under our Corporate PPACA Indigency Policy. **“Once indigency is determined, collection is no longer undertaken with regard to the patient for the forgiven amount”**. Your satisfaction is guaranteed.

I have read and fully understand this Patient Protection & Advocacy Policy. My questions are fully answered.

## FINANCIAL POLICY

Thank you for choosing us as your medical care facility. Our goal is to provide you with highest quality medical care at affordable cost. To make our services available to as many patients as possible on an affordable basis, we have adopted the financial collection policy outlined below. We ask you to read the policy carefully and sign prior to any treatment.

- WE MAY ACCEPT ANY ASSIGNABLE INSURANCE WITH APPLICABLE COVERAGE.
- WE OFFER FINANCIAL ASSISTANCE (DISCOUNT, WAIVER OR REDUCTION OF DEDUCTIBLES, CO-PAYS AND CO-INSURANCE) UNDER OUR INDIGENCY POLICY TO ALL ELIGIBLE PATIENTS ON CASE TO CASE BASIS
- FULL PAYMENT IS DUE AT TIME OF SERVICE UNLESS ARRANGED OTHERWISE
- WE ACCEPT CASH, CHECKS, OR VISA/MASTERCARD, AND AMERICAN EXPRESS CARD.
- WE OFFER AN EXTENDED PAYMENT PLAN WITH PRIOR CREDIT APPROVAL.

Dishonored checks will be charged back to the patient's account with a service fee of \$25.00. Dishonored checks not redeemed within 20 working days of written notice to the maker will be referred to the prosecutor for collection.

### Regarding Insurance

We may accept assignment of insurance benefits at our discretion if acceptable insurance identification is provided. Acceptable insurance identification is defined as a valid insurance card, policy/plan with applicable coverage, or telephone verification. As a courtesy to our patients, verifiable and assignable insurance will be billed by this surgeon's office. However, you will be personally responsible for your account balance regardless whether or not if your insurance will pay for your total balance of your claims, unless you're eligible for discounts under our indigency policy pre-determined before the services are rendered. Your insurance policy/employee benefits plan is a contract between you and your insurance company/employee benefits plan. We are not a party to that contract. In the event we do not accept assignment of benefits we require that you be pre-approved on our extended payment plan by providing a credit card or personal checking account with authorization to charge that amount for the balance due, if your insurance company/employee benefits plan has not paid your account in full within 45 days or has determined your claims to be your responsibility for the reasons of annual deductible, co-payment, non-covered services and not medically necessary.

If a patient chooses or is required to bill his/her own insurance, this office will provide an itemized statement and a HCFA-1500 Form to the patient, but will treat the account as a self-pay.

### Regarding Discount

We may offer discounts, reduction or waiver of deductibles, coinsurance and co-pay to any eligible patients based on medical needs and ability to pay on a case-by-case basis under our Corporate Indigency Policy in accordance with applicable federal and state laws. You may apply for financial indigency discount assistance by asking our staff to determine if you're eligible.

### Regarding Surgeon and Facility Charges

We will disclose to every patient our surgeon charges as clearly as practically possible before your medical or surgical procedures if it is known to us. Please feel free to ask our staff if you have any questions about charges and your payment responsibilities.

As you may be aware, your insurance company requires your doctors and surgeons to charge and bill the services separately from surgical facilities or hospitals. You shall not be surprised that you will receive separate surgeon, anesthesiologist, diagnostic labs, radiologists, pathologists, and others in addition to the surgical facility bills for your surgery. If you have any questions about your surgical facility bills, please direct your questions to that surgical center.

While we don't anticipate any unforeseeable circumstances, we have no control over any such event(s) that may arise. Should you require additional medical or surgical care in any event of the post surgical complications and reactions, you may incur additional expenses at this facility or outside this facility, such as a hospital.

The charges only include the stated date of services at this facility and do not include any other date of services from us or other providers and facilities.

### Regarding PPO and HMO Network Participation

As you may know, you may have choice to choose a surgeon or surgical facilities with or without PPO or HMO participation under different insurance coverage and benefits levels. We are dedicated to providing highest quality care to every patient; however we have no power to change your insurance coverage or network limitations. Most health care plan or insurance policies may provide surgical coverage to non-PPO providers and facilities, but at lower percentage of insurance reimbursement. Although it is your responsibility to verify your insurance coverage for non-PPO/HMO providers, we will always disclose to you as to our participation status to your insurance plan. We also provide every patient with financial assistance or discount with high deductibles and coinsurance for our Corporate Indigency Policy in accordance with applicable federal and state laws.

**At this time, we don't participate in any managed care networks other than Medicare Fee-for-Service Plans (Medicare Part B). Most health plans or Insurance Policies may have coverage for out-of-network providers or facilities, but at different or lower percentage or level of reimbursement rates.**

We will verify your insurance coverage and obtain pre-certification if applicable for all services as a courtesy to you before your surgery.

Please understand that all insurance verification is not a guarantee of insurance payment.

**Compliance & Disclosure under California Business and Professions Code**

In compliance with California Business and Professions Code in connection with my informed consent and personal choice of doctors and facility solely based on the quality and safety of care, reputation of patient satisfaction, and my knowledge in my decision-making in exercising my rights with respect to the in-network or out-of-network coverage and cost sharing, my attending doctor(s) and/or clinic (facility) have disclosed to me at the time of initial contact and at the time of referral with respect to any significant beneficial interest and have advised me that I may choose any organization for the purpose of obtaining the services ordered or requested by my attending physician, in connection with my choice of a doctor or facility solely in the interest of my healthcare quality and safety, as a result of my informed consent and personal choice of doctor(s) and / or facility: (A) his/her affiliation, if any, with the doctor or facility for whom the patient is referred and (B) that he / she will receive, directly or indirectly, remuneration for referring upon my such request and exercising my rights of freedom of choice for the provider(s) and facility under the in-network or out-of-network coverage as provided by my health plan, in compliance with all applicable federal and state laws, Medicare, ERISA, PPACA and the California Business and Professions Code.

Doctor or Facility with significant beneficial interest: **Dr.Sutha Sachar, M.D.**

**Your Responsibility for Cooperation**

If we accept your insurance assignment as a payment from your insurance reimbursement, you agree to timely cooperate with your insurance company or health plan in the course of insurance claim processing, such as insurance inquiries, requests for additional information, claims status verification or any inquiries for the purpose of your claim processing. You also agree to notify us immediately of any insurance inquiry or request for additional information and provide us with a copy of any documentation received from the insurance company or submitted to insurance company from you.

In an event that you do receive insurance payment checks for your surgeries rendered by this doctor, you agree to submit such insurance reimburse check to our office within five (5) business days after your receipt of insurance checks. In a failure or refusal to forward or send us the insurance reimbursement checks for the medical services from this provider, all of your discount arrangement will be voided, and the total balance is due immediately, as there is no justification for you to keep the insurance payment for our services as you promised to pay for our services. You further agree to compensate us for any legal fees if we have to retain any legal services to collect past dues.

We are committed to serving you with highest quality care possible at affordable cost. Every staff at our office is ready to help you at all time.

If you have any questions regarding our financial policies, please do not hesitate to ask us at any time. We thank you for your co-operation.

I have read the Financial Policy. I understand and agree to this Financial Policy.

### **Beverly Hills Institute of Gastroenterology Compliance Alert, 2013(A)(a) PPACA Patient Advocacy for Freedom of Choice Disclosure and Compliance with California Business and Professions Code and California Health & Safety. Code § 1323(c)**

Dear Provider of Patient Advocacy:

In compliance with new health care reform laws, PPACA, and all applicable federal and California laws, and as a long-standing patient advocacy practice for patient freedom of choice of healthcare providers solely based on the healthcare quality, safety, provider's reputation and patient satisfaction, we are excited to share with you on our 2013 compliance and advocacy updates.

According to the latest DOL Report in Dec 2012, about **74% of all insured private industry workers participated in PPO plans that "Allow non-emergency services outside Network"**. In order to advocate for patient PPACA rights for freedom of choice of providers, Beverly Hills Institute of Gastroenterology adopted the following new policies: (<http://stats.bls.gov/ncs/ebs/detailedprovisions/2011/ownership/private/table02a.pdf>)

Effective July 1, 2013, every healthcare provider must submit documents demonstrating your full and proper disclosures in compliance with federal and state laws, especially California Business and Professions Code and Cal. Health & Safety Code § 1323(c), as well as your managed-care network requirements, when scheduling for an appointment with Beverly Hills Institute of Gastroenterology.

You may fax or email the documents to Beverly Hills Institute of Gastroenterology. in advance of scheduling patient appointment, or any time for urgent care cases.

It is important that every provider must comply with both public policies in applicable federal and state laws and in private agreement with managed-care networks in advocating patient rights for freedom of choice. The documents submitted shall include **specific Network Disclosure Forms**, if any, under your PPO participating agreement, and **any forms of your choice demonstrating full and proper compliance with all applicable federal and state laws**.

It is also important to understand that California State law mandates for full and proper disclosures for any and all permissible self-referrals, regardless of in-network or out-of-network referrals, for both Medicare or non-Medicare patients, in addition to Medicare Stark Prohibitions and Anti-kickback Statutes.

California Business and Professions Code and Cal. Health & Safety Code § 1323(c) laws prohibit referrals to other health facilities in which the health facility has a significant beneficial interest unless written disclosure that patient may choose another facility.

As you are well aware that Beverly Hills Institute of Gastroenterology has been fully dedicated to the patient advocacy for the quality care and patient choice through compliance, we have always shared with you on our compliance initiatives in protecting your practice and your own financial safety in the course of advocating patient rights.

We'll keep you updated on our forthcoming compliance and patient advocacy meetings and training programs.

Respectively,

Beverly Hills Institute of Gastroenterology
